

Keerti Srihita Nallan Chakravarthula

BACHELORS OF TECHNOLOGY

Motivated and detail-oriented B.Tech student seeking an internship to apply technical knowledge in a practical, real-world environment. Skilled in core engineering concepts, problem-solving, and analytical thinking, with a strong foundation in teamwork and effective communication. Eager to learn, innovate, and contribute to a forward-thinking organization. Looking for an entry-level opportunity that strengthens my technical abilities and supports continuous growth and professional development.
